DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Joseph Lazaroff on 02/09/2006.

2. The application has been amended as follows:

Claim 1, line 7, after "information", insert – for establishing said call --.

Allowable Subject Matter

3. Claims 1, 2, 5-23 and 27 are allowed.

4. The following is an examiner's statement of reasons for allowance:

The current invention claims a method and system for playing a post-call advertising message to a called party. As disclosed in the Specification, a post-call to a called party is a call placed after a calling party has hung-up (disconnected) and the called party remains on the line.

4.1 Independent claim 1: In the current invention, whether to play the advertising message to the called party is based on information stored in a database, such as call attribute information for establish a call.

4.2 Independent claims 6 and 15, In addition to storing the call attribute information stated in claim 1, the database further returns an announcement number (claim 6), or an announcement indication (claim 15) for indicating a particular advertising message to be played.

5. Prior art of Espejo (US 6,728,353) teaches playing a post-call message to a called party based on an option selected by the called party, not based on call attribute information for establishing a call, nor on an announcement number/indication as claimed by the current invention.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
